

Accurate Air

Preferred Maintenance Program

OFFICE 972-962-7784

www.accurateairtx.com

At Accurate Air we strive to keep our customers HVAC systems working properly. And one way of doing so is by regular service & inspections. Our Preferred Service Program offers many ways to help keep your system working at its best, saving you money while keeping your home comfortable.

We offer both residential & commercial semi-annual, quarterly and monthly plans. We have a plan to fit your budget starting as low as \$140.00 a year.

Keeping your air conditioning and heating system properly maintained will save you money. This means more money in your pocket.

Benefits for Preferred Service Program Customers

1. Regular maintenance insures optimal performance from your equipment.
2. Lowers your utility usage therefore lowering your utility bills and saving you money.
3. Helps prevent unexpected breakdowns.
4. Some equipment manufacturers require copies of your maintenance records to validate a warranty claim.
5. You will receive Prompt Priority Service. With a 10% discount on any additional labor, parts or equipment that you may need.
6. Purchasing a Preferred Service Program plan is easy just contact the office and we can get you started.
7. Automatic renewals for your convenience.

Products & Services

We offer service, sales, and installation, for residential, commercial, new construction, and remodels along with the latest in comfort and indoor air quality. Free estimates and 2nd opinions on equipment purchases and financing to fit your budget. 24 – Hour emergency service.

We are proud members of ACCA – Air Conditioning Contractors of America, Better Business Bureau, and Kaufman & Seagoville Chamber of Commerce.

**We are licensed, insured and
employ NATE Certified
Technicians.**

Voted Favorite Air Conditioning & Heating Co.
